

How to Put On a Hijab

Six easy steps. Practise with a grown-up!

 **I wear my hijab to please Allah!** 

الْحَيَاءُ شُعْبَةٌ مِنَ الْإِيمَانِ *Al-ḥayā'u shu'batun minal-īmān*
Meaning: Modesty is a part of faith.

The Prophet Muhammad (peace be upon him) said this · Sahih al-Bukhari 9

1

Get ready
 Tie your hair back.
 An under-cap is optional.

2

Drape it
 Edge on your forehead. Let one side hang longer.

3

Under the chin
 Bring both sides under your chin. A grown-up pins it.

4

Wrap it over
 Take the long side up and over your head.

5

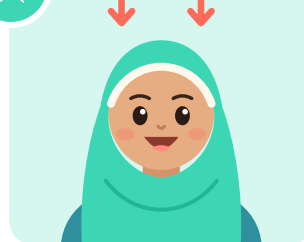

Pin or tuck
 Tuck the end in neatly, or a grown-up pins it.

6

Smile!
 Look in the mirror and smile.
 Masha'Allah, lovely!

Easy slip-on
 For little girls: just pull it on. No pins!

Safety first!
 Only grown-ups use pins. Little ones: try a slip-on!
