

The Islamic Months

Twelve months in a year. Each one begins with a new moon!

★ Sacred months

Allah made these 4 months extra special.

Qur'an 9:36

New moon!

We look for the thin new moon to start each month.

On the move

Ramadan comes about 11 days earlier every year.

Year 1

Years count from when the Prophet (peace be upon him) moved to Madinah.

🌙 Each month has 29 or 30 days. 12 months make one year!
