

Look what Allah made!

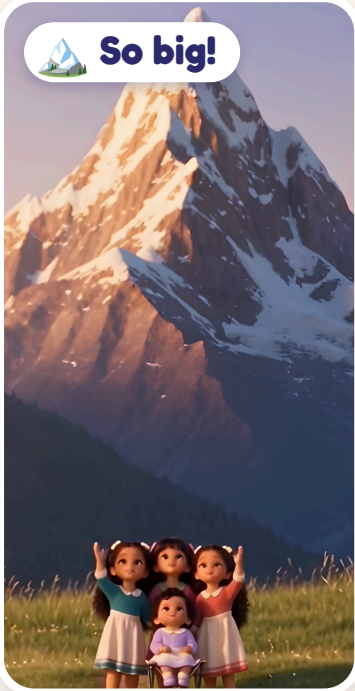

Mighty Mountains

🎵 "Mountains, mountains, strong and high!" Allahu Akbar!

So big!

Wow!

Allah says in the Qur'an · 78:7

وَالْجِبَالِ أَوْتَادًا

Wal-jibāla awtādā

Meaning: And [We made]
the mountains as pegs.

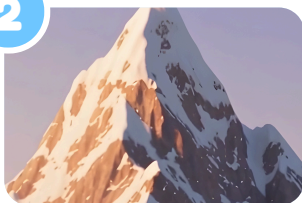

Wow! Did you know?

1

**Sky high!**

Some mountains
poke up above
the clouds!

2

**Snowy tops**

Snow on top melts
into rivers that
give us water.

3

**Like tent pegs**

Allah set mountains
firm, so the earth
stays steady.

Qur'an 16:15

4

**Animal homes**

Goats and eagles
live way up high.

Going up a hill, we say:

اللَّهُ أَكْبَرُ

Allahu Akbar!

Allah is the Greatest!

Coming down, we say:

سُبْحَانَ اللَّهِ

SubhanAllah!

How perfect Allah is!
